

2019 Household Hazardous Waste Collection Events

HRMC announces regional HHW Events including the annual HRMC HHW Collection on Saturday, October 26, 2019 from 9 a.m. until noon.

Once a year, the HRMC holds a Household Hazardous Waste (HHW) Collection Event for residents of the HRMC member communities. The 2019 event will take place on October 26 in Westhampton. **Pre-registration is required for this event and will take place from October 1-October 20.** Residents are asked to email the HRMC with their name, address (Street and Town), and phone number. HRMC confirmation of your reservation (done via email) is required to participate.

If you are unable to attend the HRMC HHW event, we have reciprocal arrangements with a nine other regional Towns that are offering HHW events. In 2019, the HRMC has agreements with the following communities to allow HRMC member Town residents to participate in their events. **In all cases, pre-registration is required. Registration for each of the events typically begins 3-4 weeks prior to the event.** If you are an HRMC resident, please contact Kathleen Casey at 413-685-5498 or email hrcm@hrcm-ma.org to inquire about attending one of the following regional events:
