## **OLD BUSINESS**

### **Title V update**

189 Sugar Hill is pending. 386 & 388 Main Rd, previous inspections were pulled for realtor as requested. No easement was found. The lower property, 386 has both septic systems on it. There originally was a right of way in 1935.

### **Transfer Station update**

Peg reported we need de-icer, a small propane torch. John will get these items. John requested White Wolf be scheduled to empty Sani-John at the transfer station. Demo container was removed for the remainder of the winter. John explained International Container needs to view the existing bin for a price to replace

### **Covid update**

No report to share from public health. No known cases.

Peg reported she will call Loren and setup a vaccination clinic in town, request Covid reporting monthly, and schedule inspection through public health for the Four Seasons club in W. Chesterfield. Peg will talk with Brenda about the Opioid Settlement monies. Returnable bottles no longer leave the transfer station. Will be pre-counted and taken, in large delivery, to Dwyer's Redemption Center, 7324 Rte 7, in Pownall VT.

### **Regulations**

Final edits will be made, removing section 2.8 and returned to John to then be sent to state for review.

## **NEW BUSINESS**

Board will review the budget request to the finance committee at the February 12 meeting.

Meeting adjourned 8:15 pm
