

Chesterfield Farm and Forest Commission

November 17, 2022 Minutes

Present: Jennifer Peotter, Matt Barron, Tevis Robertson-Goldberg, Kim Serafin, Brooke Bullock
Meeting started at 7:07 pm

Old Business

Kim agreed to be a contact for John Follet on the Open Space Committee. Jen will put them in touch with each other.

1. Right to Farm signage: Reviewed numerous designs created at Smith Voc after input from Matt (separate doc attached). While most were based on clip art and reflected a horse heavy theme, we were able to identify some layout that were worth pursuing and offer further input to the students on color and typestyle. Matt will provide feedback and also offered a logo version he'd worked on previously with a focus on maple syrup and suggested we utilize photos of beef cattle (several of the Roberts' animals are readily available on line) for the next version.
2. Jennifer will confirm when budgets need to be submitted with Lee Manchester and suggested we add funding for a simple mailing to update the producer list in the future as well as for the signs with 1-2 extra.
3. Listing of Farm Producers: Brooke reviewed her work to date on the producers listing (thank you!) and we brainstormed any additional names that weren't included.

Jennifer had reached out to Kelli Wainscott about working together and she was quite interested –she works on the nights we meet and Jen is due to follow-up with her.

Meeting adjourned at 7:55 pm
