Guests: Trish Colson-Montgomery

Minutes of 12/9/21 were approved unanimously.

Dee and the Select Board met with Robin Brower in early Jan. to discuss the complaint about the Trumble gravesite in Mount Cemetery. We explained that the fee for repair of damage could not be reduced but that there would be no further cost to her when the repair work is finished in the spring. The Cemetery Commission estimates it will bear 1/3 of repair costs.

Rick said the final ground preparation of the donated part of Ireland Street Cemetery will be completed by June 30.

We discussed adding language to the R&R to prohibit digging by anyone other than the Cemetery Superintendent and to prohibit artificial flowers and glass containers. RTB owners must remove all decorations by April 1 and October ? November? 1. There will be further discussion o dates.

We also discussed limiting the remaining plots in the rear of the historical section of Ireland Street to cremains and designation part of the new section for cremains only. There is a possibility of 4'x4' cremains plots at ½ full plot price buy with the Stewardship fee at \$150.

We need more discussion on plot capacity and the size and number of markers allowed.

Dee and Trish will work on language and bring it back to the Cemetery Commission.

Dee asked Trish to advocate for a Town Conservator on contract because we have not been able to conserve gravestones. Dee to send Trish and Brenda a blank price list And a list oof conservators to contact.

Meeting adjourned at 8:54 pm.
