

**Cemetery Commission Meeting**  
**Wednesday October 18, 2023,**  
**6:30 pm at the Community Center.**

**Agenda:**

Approve minutes of 6/14/23

**Old Business**

Mount Cemetery Stone wall completed.

Mount land donation should be on Special Town Meeting agenda in November

Ireland Street Stone wall will not be on STM as agreed. On annual Town Meeting.

BOH has not done test holes at Ireland Street Cemetery

**New business**

Have started sending data to All Funerals Services, still waiting for aerial photos of Center Cemetery since that is the one we will start with.

Possible easement at Center Cemetery for Access Road, should also ask for parking easement? This would be in return for Town splitting cost of repairs with owner in the rear.

Per Select Board all accounts appropriated as separate articles will revert back to free cash at start of new fiscal year. Money for those projects will have to be requested again.

Should we order more veteran's markers this year?

Rules and Regs revision

Any other business
